I hereby attest that I have been informed of the following pertaining to the coronavirus:

o People who are 65 years and older and people of any age who have serious underlying medical conditions or are at higher risk for severe illness from COVID-19 are recommended to stay at home. A list of medical conditions associated with a higher risk for severe illness from COVID-19 can be found in CDC's guidance.¹ Individuals and families should consult their healthcare provider to determine whether they have medical conditions that place them at risk.

o Staff and children living in households with individuals who are 65 years and older OR have higher risk for severe illness from COVID-19 are recommended to stay home.
